About Launceston Refugee Support Group

WE ARE local people getting together to take action in support of refugees.

WE HAVE BEEN INSPIRED by not only by the desperate situation of refugees but also by the success of Bude Refugee Support Group.

Bude have welcomed two Syrian refugee families, and several families from Syria have already settled successfully in Truro. Cornwall is taking a lead in showing compassion and hospitality!

Across Cornwall collections are regularly made to send clothes, food, and other necessary items to refugees in Europe who are homeless or in camps. Launceston people have already shown their readiness to help with these collections and to take an active part.

Our aims for LRSR are:

- **to build local networks, and contribute to the work being done to collect, sort and dispatch useful items to stranded refugees, especially those in Northern France.**
Collections are continuing, and more distribution trips are planned as the situation remains extremely hard for those stranded.
- **to work towards welcoming 2 Syrian families to Launceston, as part of the government's pledge to resettle some of the most vulnerable Syrian refugees in the UK.**

We have a Facebook page www.facebook.com/LauncestonRSG and website www.lrsr.org.uk where you can find more news and information about our activities.
